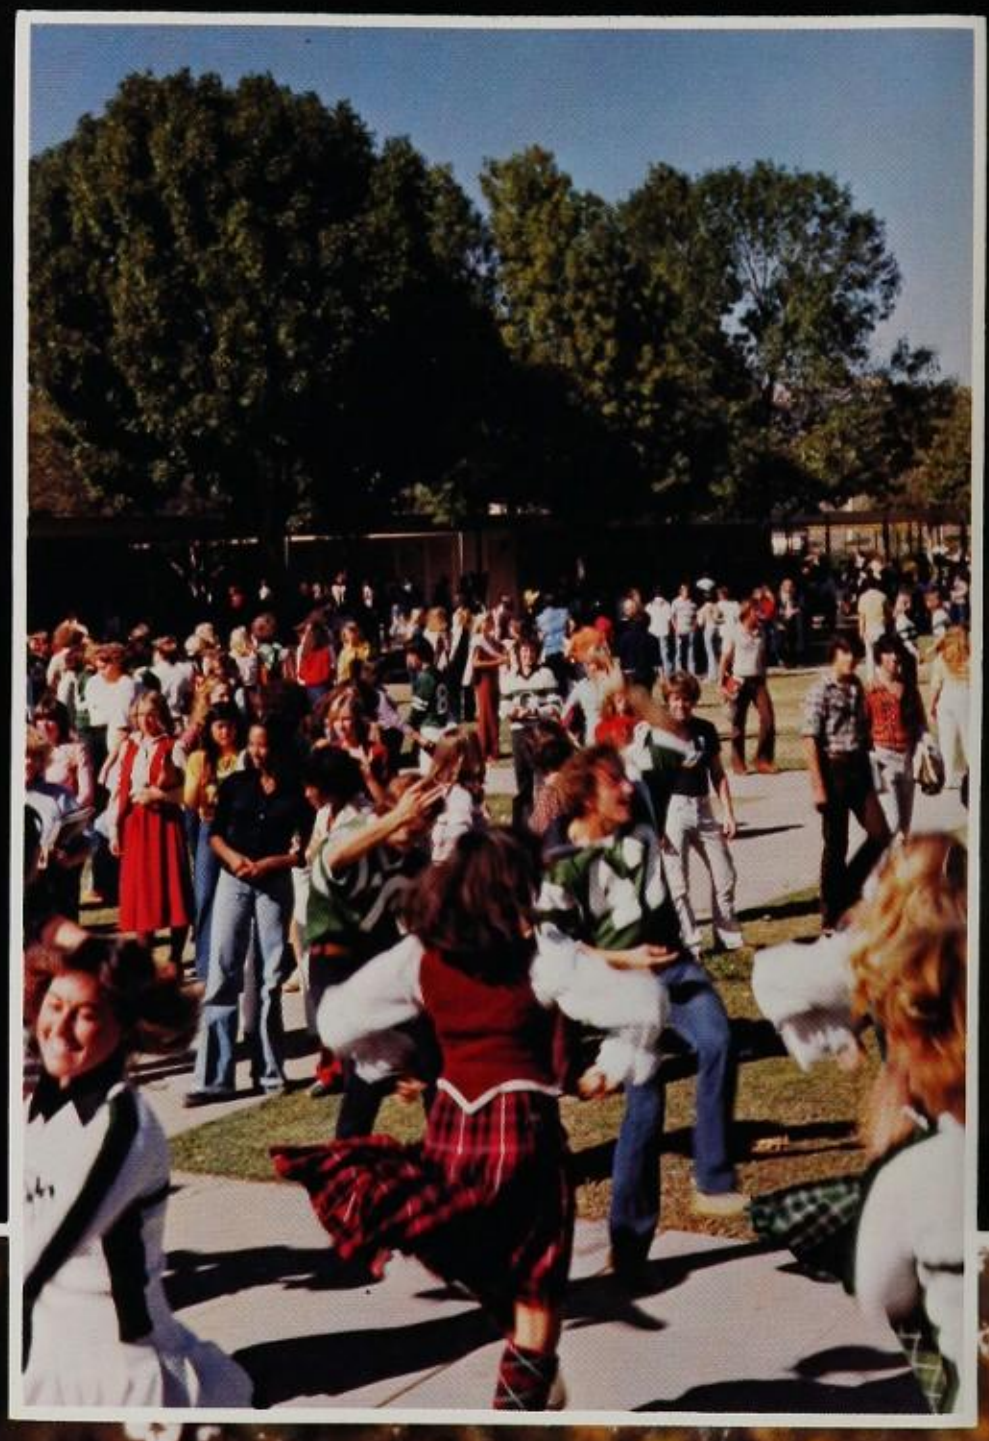
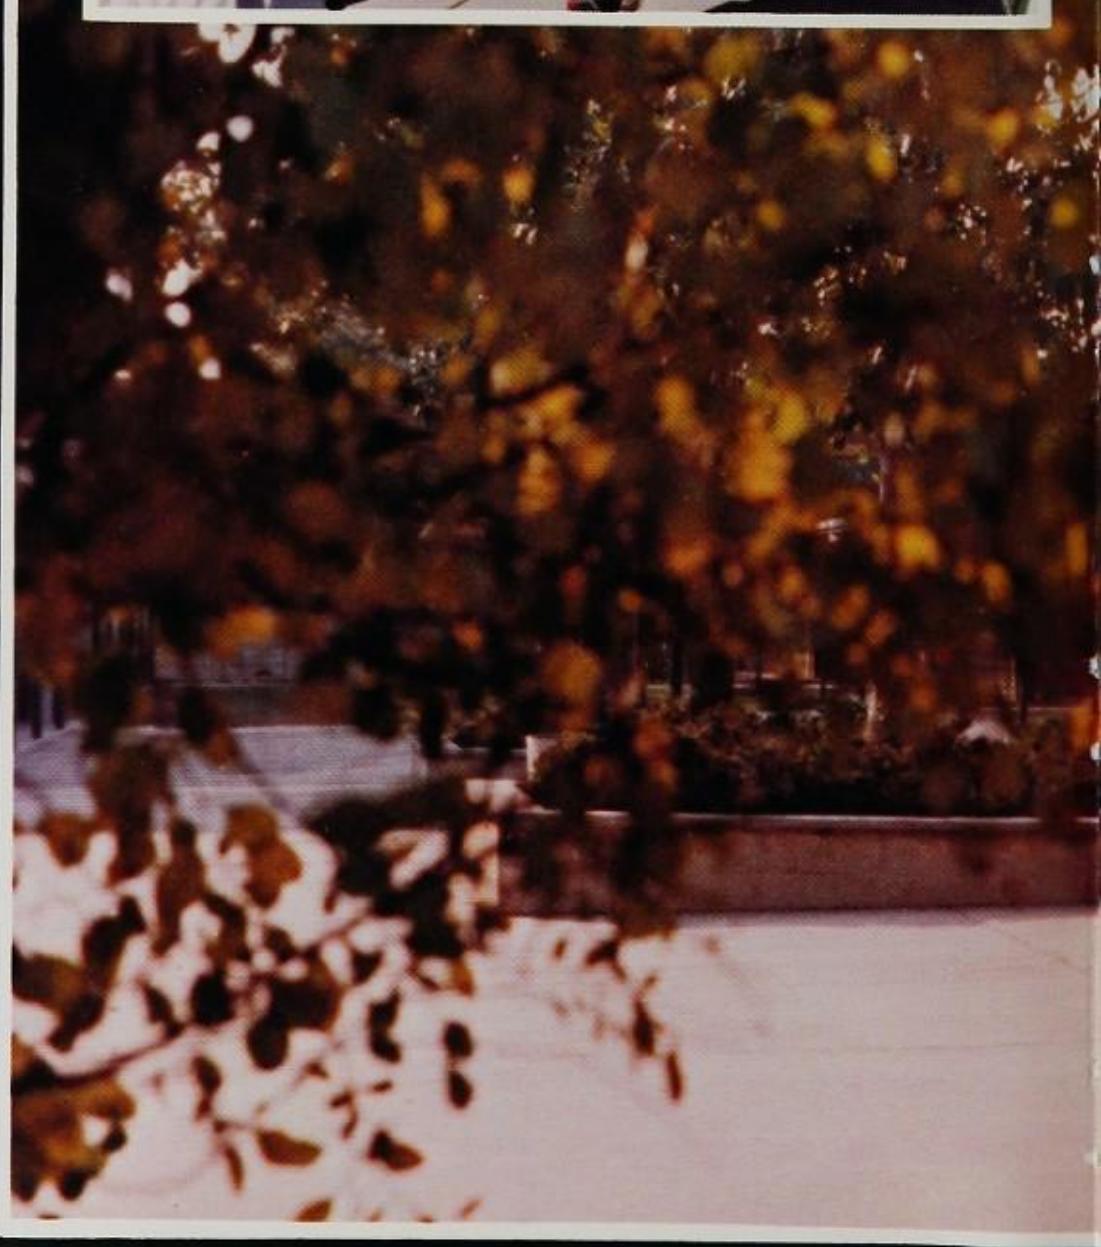
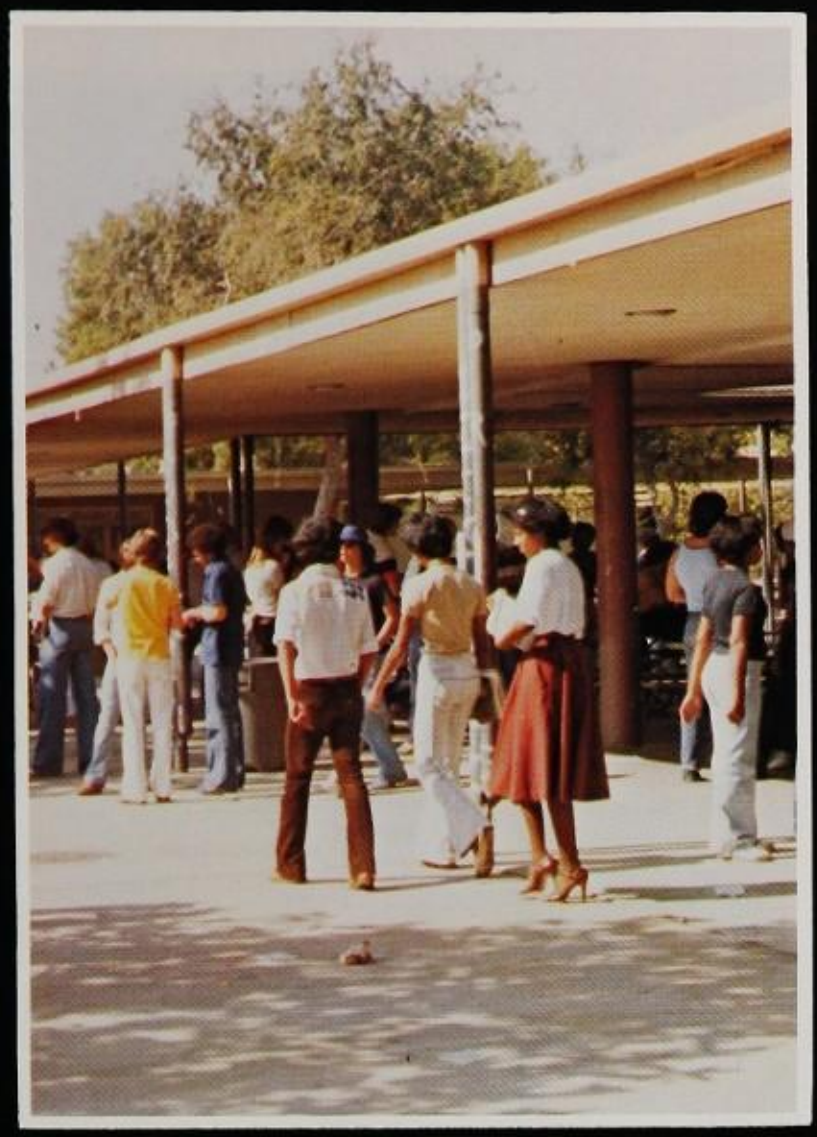
Open the door and come on in,
I'm so glad to see you my friend;
You're like a rainbow
Coming around the bend.
And when I see you happy
well, it sets my heart free.
I'd like to be as good a friend to you
as you are to me.







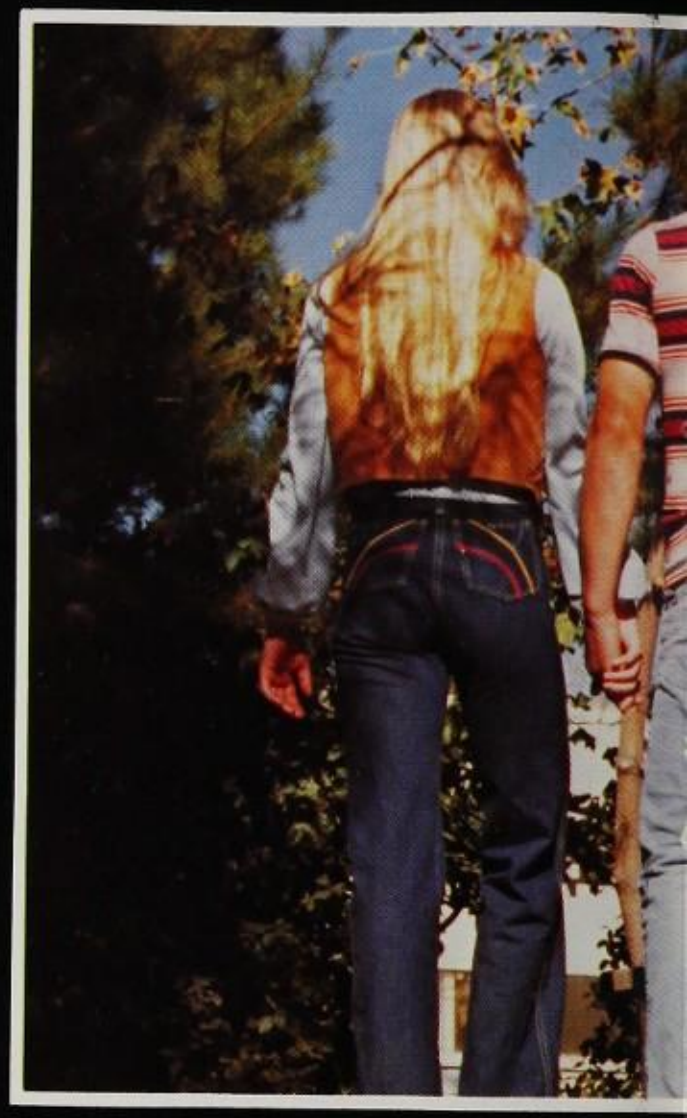
The only way
to have a friend
is to be one.

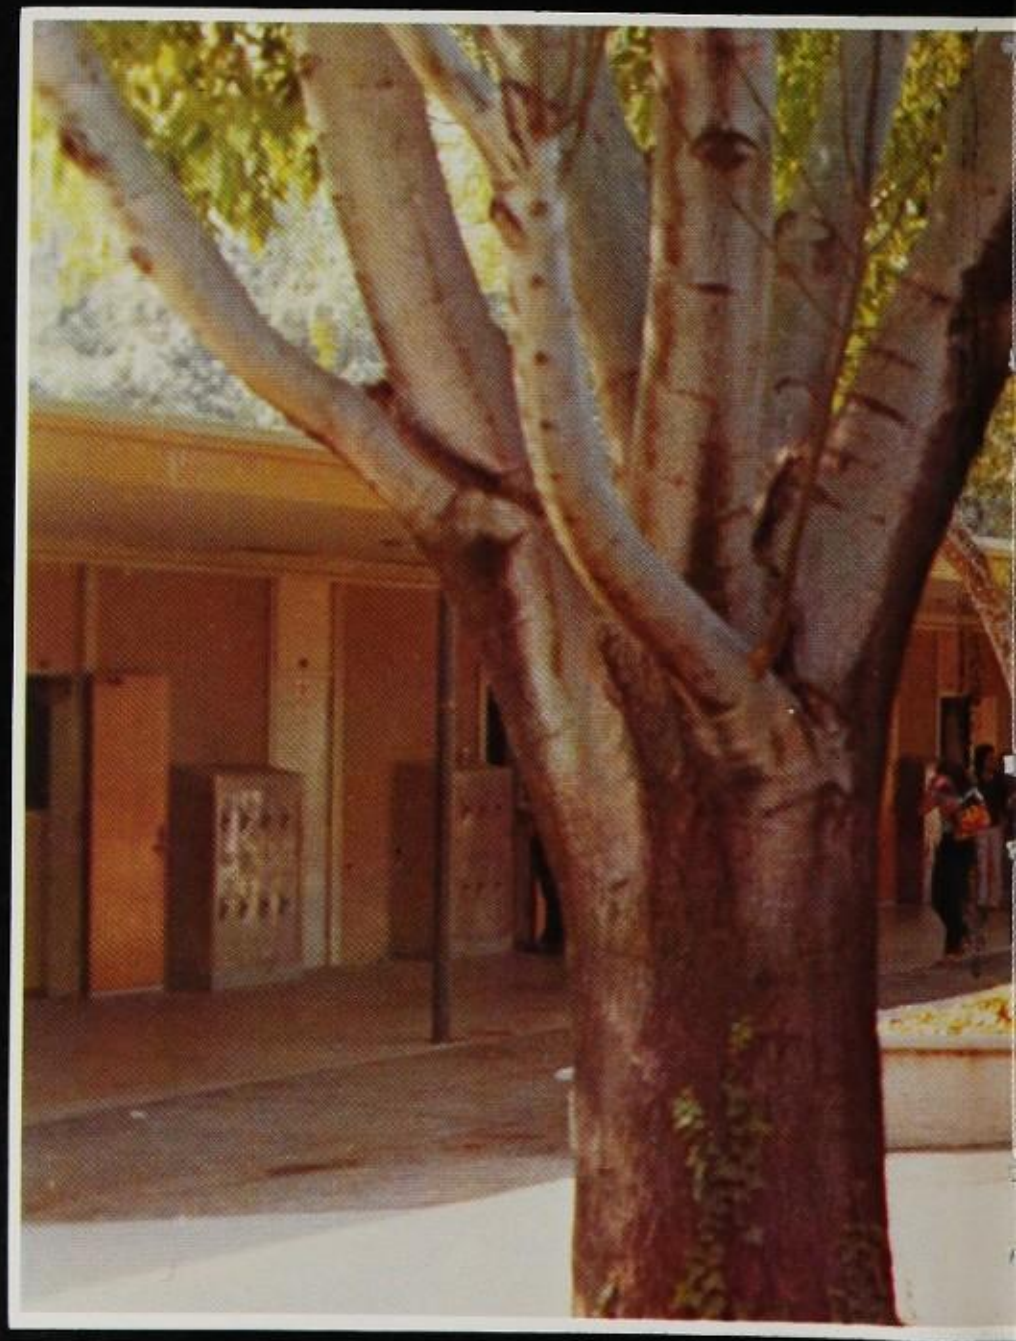
A friend is a person
with whom I may be sincere.
Before him,
I may think aloud.

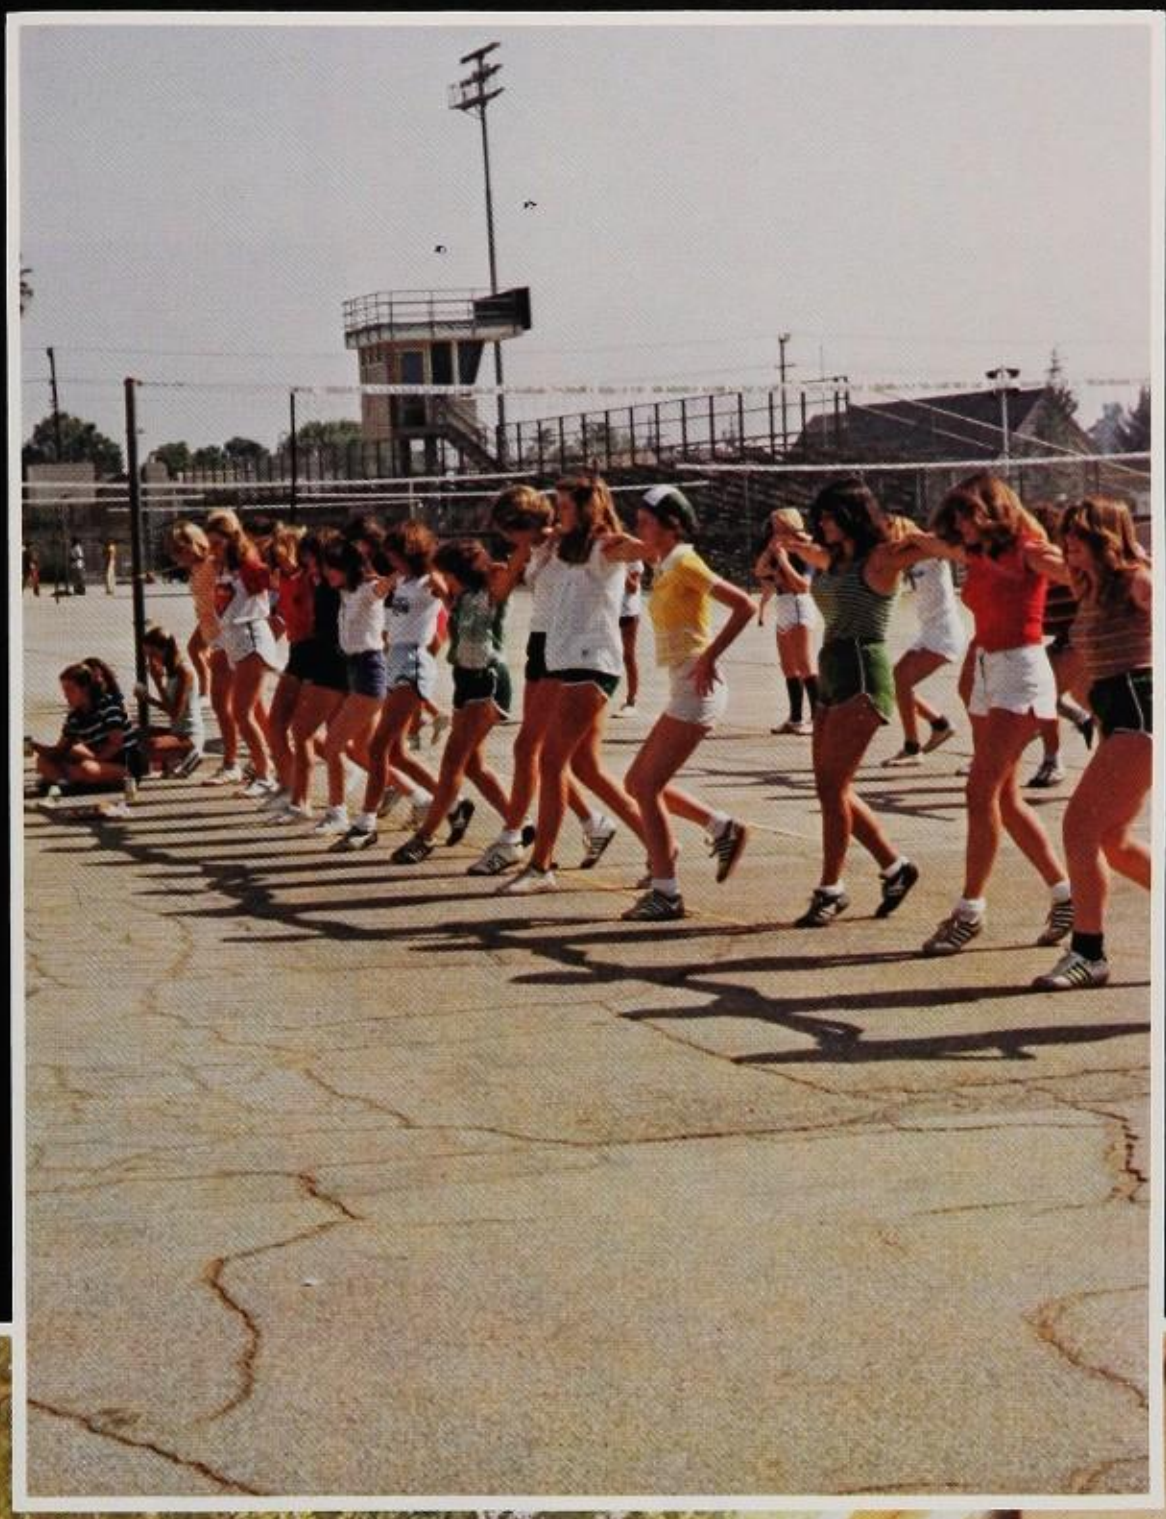
CBS RECORDS

There are plenty of acquaintances
in the world,
but very few real friends.

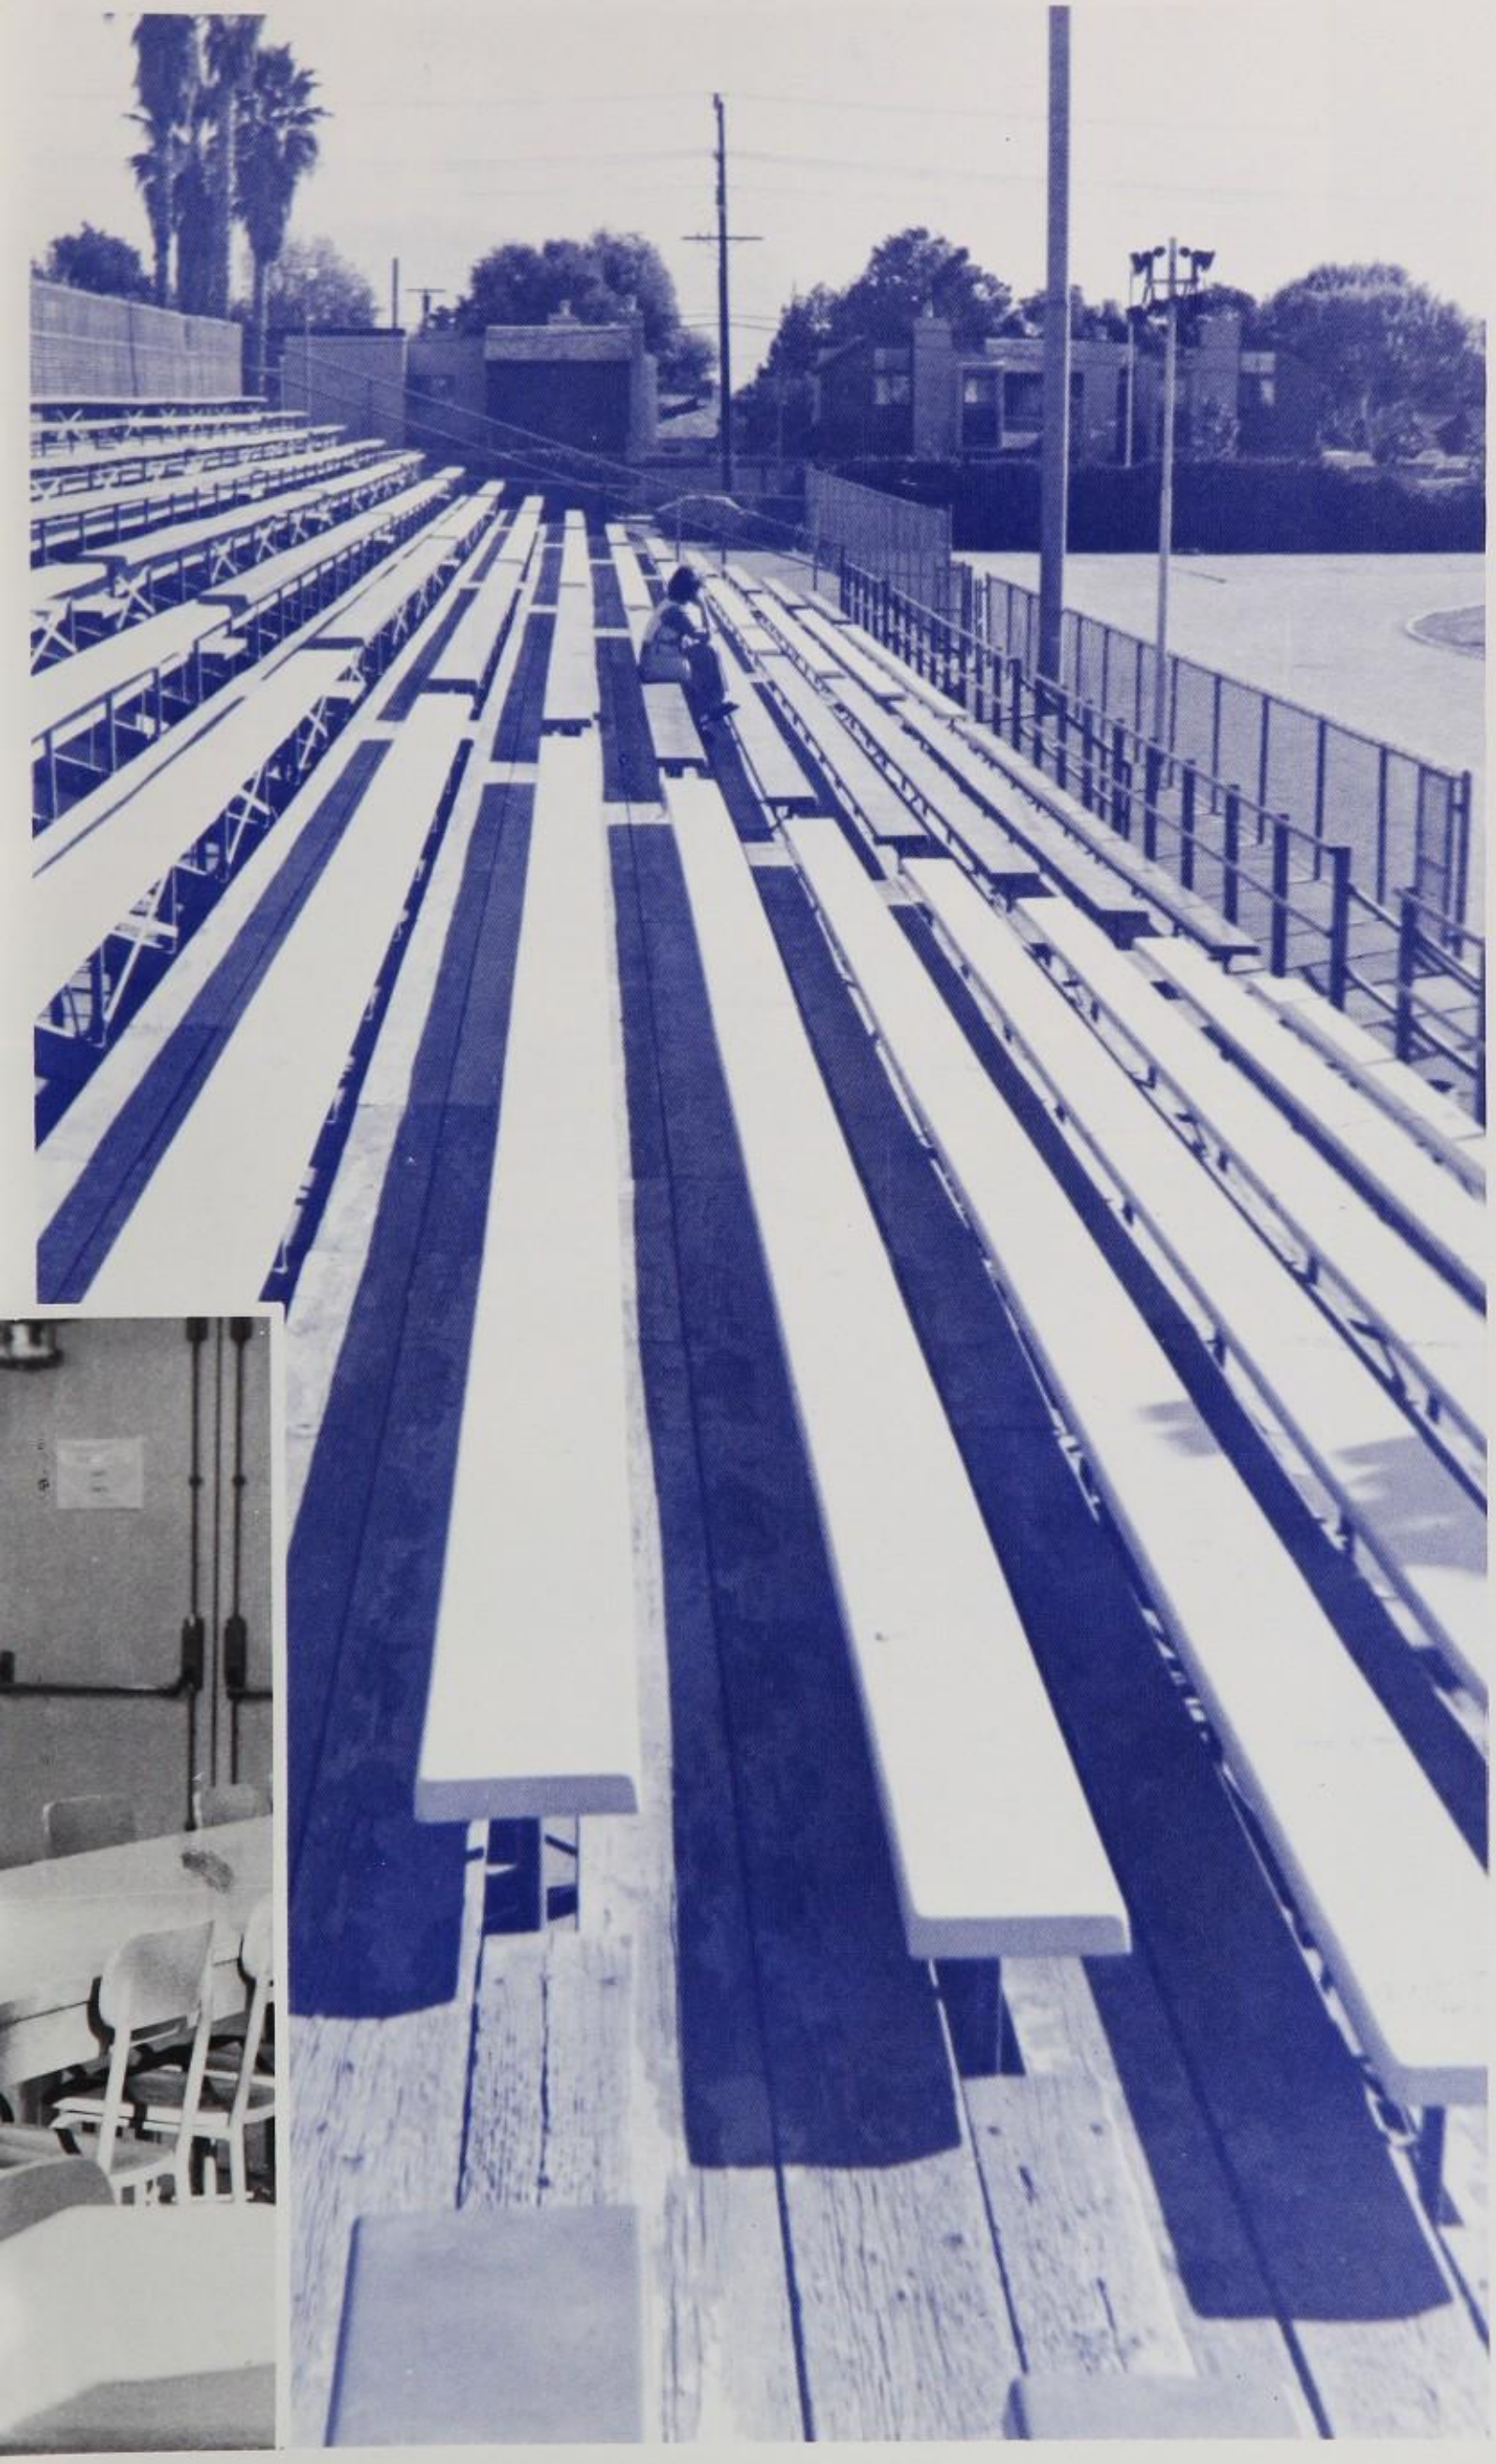
A friend is one to whom
you may pour out
all the contents of your heart.







Life can be so lonely
when nobody cares;
Life can be so empty
when nobody shares.
But if man gives himself
to help other men,
The happiness and the peace
will live from within.



CENTER

One of the most
beautiful qualities
of true friendship
is to understand
and to be understood.

SPRING MUSICAL

Bye-Bye Birdie Rocks Audience

The smashing spring musical, "Bye-Bye Birdie" played six nights and was an excellent display of our talented music department. There was a double lead cast which starred Fiama Fricana, Tim England, Tammy Rubinoff and Rick Pollack.

The story is about a rock star who is drafted into the army and whose agent wants to make as much as he can off him before he leaves. The agent comes up with this publicity idea where the rock star sings a song, "One Last Kiss" and they hold a contest to see who will get the "One Last Kiss". Well, the most that this scheme accomplishes is to complicate other lives.

Many students from Granada go to elementary schools surrounding this area and tutor the kids. They work with them in a lot of different areas such as mathamatics, reading and also just playing with them on the playground.

This program had been very successful and the children seem to like it very much. It gives the kids the opportunity to be worked with on a one to one basis.

STUDENT INTEREST

Early in the year, the Tartan Staff took a poll on which activities, foods, clothing, and life styles students enjoyed here at Granada.

For the category of dessert, Strawberry Shortcake was the favorite with hot fudge sundaes and ice cream cones running close behind.

Afternoon activities were more narrowed to one or two favorites. They were either escaping to the sunny beaches or staying home to watch TV. Evenings were also best occupied with watching TV or listening to the radio.

Students escapading on dates, frequently enjoyed going to movies, concerts dancing, and of course parking in a pretty spot to observe the scenery. Although frowned upon by many parents and faculty members, the activity of "partying" with liquor or marijuana was chosen on 2 out of every 5 surveys so we felt that it was appropriate to list.

Popular among the weekend activities ranged from the favorite winter sport of snow skiing to the spring and summer events of hiking, surfing, and water skiing.

Turbocharged Corvettes received the most votes for the "dream car." Other cars which were favorites were the 924 Porsches, classy Rolls Royces, and the high speeded Lotus Esprits.

"Dreams in life" had a variation of answers. Most popular was to be rich and famous. There were many who wished to be lawyers or a doctor of some sort. Living in Beverly Hills with an enormous house was another well liked answer and to be healthy and live a long happy life brought in a number of votes.

Varsity Goes To Semi-Finals

Clutch plays, plenty of passing, and a steady defense . . . That is what describes the 1978 edition of the Granada Hills varsity. Although ending in a bitter playoff loss, the Scot's season was a success nonetheless. Behind the arm of John Elway, who was well on his way in establishing himself as the top prep quarterback in the nation, the Scots rode the crest of a 3-1 preseason record, including an important win over the then top ranked Banning Pilots, into the Mid-Valley league to defend their conference crown. Winning the opener easily, the Scots then lost the showdown for first place to the eventual Mid-Valley champions, San Fernando High. Elway, befallen by injury in that game, was replaced by courageous Walt Seymour who keyed the Scots to tallies over rival Kennedy and playoff opponent Palisades.

1. The Granada Hills defense successfully trips up a Carson ball carrier. 2. John Elway has been recognized as one of the top prep quarterbacks in the nation. He was named a High School All American.

OFFENSE

Seymour Replaces Elway Mid-Season

Offense is rarely a problem at Granada Hills. This year was no exception as the highlanders broke the 30 point barrier six times while amassing an average of 32 points a game, an impressive statistic at any level. The Scot's success came mostly through the air. Whether it was from the hand of John Elway or Walt Seymour it didn't seem to matter. Receivers Paul Bergmann, Bob Palacios, and Steve McLaughlin did most of the catching along with backs Jim Ginnetti and Blanchard Montgomery. Blocking chores belonged to Bruce Kiddoo, Steve Smith, Keith Keller, Craig Hurty, and Bruce Stewart.

1. Paul Bergman kicks for one of his 36 extra points. 2. Walter Seymour rolls out looking for receiver down field. 3. John Elway hands off to back Blanchard Montgomery. 4. Tailback Jim Ginnetti looks ahead for endzone in first round of city playoffs. 5. Steve McClaughlin picks up blockers for a long gainer for the Scots.

2.

DEFENSE

Palmer Led Tough Defense

After a defensive letdown in the season opener, for which they were critized by the media, the Scots bore down and never looked back. What followed were stalward performances against Banning, Bell (a shutout), Crenshaw, Birmingham (a shutout) and San Fernando, in which they held the Tigers to their lowest winning total of the season. The rest of the year continued in the same fashion as the Scots held their league opponents to an average of eleven points a game. Post season accolades went to Gene Gatza, Keith Jan, Gary Dorfman, Don Marbach, Frank Palmer, Steve McLaughlin, Chris Duddy, and Nick Micias.

1. Chris Duddy brings down ballcarrier for little gain. 2. Swarming defense holds city MVP to season low rushing game. 3.
